## Parrish, Thomas. The Submarine: A History.

The book not only covers the sinking of the ship and the fate of the survivors, but it also tells you a lot about their lives and the times they lived in. The book may not resonate for Americans as much as for more direct descendants of the British Empire, but Taylor has brought the ship and its survivors to modern eyes with this commendable work. The development during the 1960s of a new class of submarine that could fire the Polaris ballistic missile intensified the Cold War but kept the peace.

## Caliban's Shore: The Wreck of the Grosvenor and the Strange Fate of Her Survivors by Stephen Taylor, Paperback

A little too much speculation, although it was probably necessary, but a fascinating story, not only of the castaways but of the natives that they encountered. WonderBook-USA via United States Hardcover, ISBN 9780393050851 Publisher: W.
