Yŏkchŏng : na ŭi ch'ŏngnyŏn sidae : Yi Yŏng

Buddhists were unable to attain any social standing or to establish organizations. The Korean notion of the folk, minjok, was similarly born of opposition to colonial aggression by imperial powers such as China, Russia, and Japan around the turn of the nineteenth century.

Makers of Modern Korean Buddhism (S U N Y Series in Korean Studies)

I hope that they will enrich their lives and others with their cross-cultural experiences, as many figures in this book did in Korea a century ago.

The Making of Korean Christianity

The debates were entangled with not only theisms of traditional religions, but also contending mission theologies and the politics of various mission societies.

The mind is like muddy water: It will become clear as soon as one lets the dirt submerge by itself HYC 2: 312. At the same time, since they did not fear serious opposition from established religions, launching direct evangelism within the privilege of treaty was plausible as soon as they learned the language. ISBN 8942004474 Series Sŏnam Han'guk kyŏngje yŏn'gu ; 3.

Han'guk ŭi oehwan chayuhwa mit chabon chayuhwa : yŏkchŏng kwa kwaje / Yi Ch'ŏn

Leaving out the complicated kongans and scriptures, we will choose as follows. He also criticizes the premature declaration of awakening among the practitioners of meditation.

The Making of Korean Christianity

The first is the issue of periodization. While I was working on this book, my children, Yoo Hyun, Eun Hyun, and Hyun Bhin, entered university, and two of them have already graduated.
