ERIC

The chair is caught in the middle, required to provide the most sophisticated leadership and statesmanship to avoid being crushed by these two opposing forces. You need practical and effective strategies, interactive learning, and one-on-one engagement with leaders who have successfully powered through the obstacles you are currently facing.

Chairs and Academic Administrators Management Program (CAAMP)

Leaming helped thousands of chairpersons navigate changes in higher education and effectively lead their As the responsibilities entailed in being a department chairperson are ever evolving, those who occupy the position must continually adapt and build upon their skills in order to meet new challenges and expectations. If the search proves to be very contentious, an applicant who believes that a search was improperly conducted may file a lawsuit or a complaint with the Equal Opportunity Commission against the school, alleging unfair labor practices.
