Some folks now call them tropes; I have a semantic problem with that word which doesn't require explication here. Many of them, such as and , orbit within Saturn's ring system and have orbital periods only slightly longer than the planet's rotation period. The illustration below shows all eight main and minor Moon phases and where they occur in the lunar cycle.

For years she was the only serious writer of this type of story and was she ever a story teller. It is also called the Ring of Air, the Ring of Firmament, or the Blue Ring. In terms of stance, much like balance within the trooper, Musashi notes that stance is an important part of strategy, or battle: Adopt a stance with the head erect, neither hanging down, nor looking up, nor twisted.

Three Rings Around the Moon (Taijijian Movement)

Minas, the rings, and the small moons are invisible at this scale. The spine has 020-08033-060 which at some point a book seller translated into 0-441-08033-2 when they added this book to Amazon and other sites.

Probably the most popular series she wrote was the Witch World novels, not only her own but those by other writers as well. Norton died of congestive heart failure on March 17, 2005 at home in Murfreesboro, Tennessee; she was 92. Perhaps it's my own limited vision, but Norton's style suggests an almost galvanizing agoraphobia.
