**Analytical concordance to the Holy Bible : containing about 311,000 references, subdivided under the Hebrew and Greek original with the literal meaning and pronunciation of each; also index lexicons to the Old and New Testaments, being a guide to parallel passages; and a complete list of scripture proper names : Young, Robert, 1822**

Rather, it actually groups words under their respective Greek and Hebrew originals.

**Analytical concordance to the Bible (1910 edition)**

For when the Deity has condescended to speak by the mouth of men, he has always left them to use the modes of expression current and intelligible in the age in which they lived. The effect of this is that, although Strong's Concordance gives you access to the Hebrew and Greek, it is first and foremost a concordance of the King James Bible.

**Bible**

I present a small portion of it in the blog: Interpreting Hebrew Causative Verbs Permissively.

**Robert Young (Young, Robert, 1822**

Young's expounds on it a little, but not as much as I have always been led to believe. Like Strong's, it is analytic, but it doesn't use numbers.

**Analytical concordance to the Holy Bible : containing about 311,000 references, subdivided under the Hebrew and Greek original with the literal meaning and pronunciation of each; also index lexicons to the Old and New Testaments, being a guide to parallel**

**passages; and a complete list of scripture proper names : Young, Robert, 1822**

Catalogue Persistent Identifier APA Citation Young, Robert. But, this was the most we got from him.

**Analytical concordance to the Bible (1910 edition)**

Young on how sickness and other incidents blamed on God should be read from a permissive perspective.

**Robert Young's and helps to Bible**

Young's time who expounds on this a lot more than he did. These sound very much like the creative statements of God. .

**Analytical concordance to the Holy Bible (edition)**

If you find you have particular areas that bother you, speak out of your spirit to those areas and bring them into line.
