## Young Christian Missionaries Grapple With 'Reverse Mission'

Venn sought to develop an African Church by urging missionaries to move on after the seeds had been sown and leaving the native leaders to develop their church.

## The Explosion of Christianity in Africa

Additionally, his written work and widespread respect in the academic community helped to coalesce support for the civil rights movement among the nation's intellectual elite. A prolific composer, Dorsey spent his early career playing and singing the blues. White denominations, including Presbyterian, Congregational and Episcopal congregations, also sent missionaries to teach reading and math skills to a population previously denied the opportunity for education.

## About

The evangelical societies founded in the Americas included the Baptist Missionary Board and the Nova Scotian Methodists, whose members went to work among the Maroons, who had settled mainly in Liberia.

## Why Did So Many Christians Support Slavery?

In 1950 Albert Academy was founded in Freetown; for a long time it was the secondary school in the Colony serving largely children from the provinces, among them were the future heads of state, Sir Milton Margai and Dr. To contact us or to submit an article, .

## Origins of the Black Church: How African Missionary History Is Relevant Today — Charisma News

Tensions finally split the National Baptist Convention, U. Its message was that of love and the universal brotherhood of mankind.

## Young Christian Missionaries Grapple With 'Reverse Mission'

By the close of the nineteenth century the major Christian missionary churches had opened elementary schools in many part of southern Nigeria

with an enrolment of about 74,000 by the First World War. Funds are being raised to construct another building. However, English Common Law suggested that Christians could not be made slaves.

### **Origins of the Black Church: Pre**

Their luggage and other necessities had to be carried on heads and took a long time before reaching the missionaries.
