They often remain in contact with volunteers long after they have departed Fiji. In 1874 Fiji was annexed to the UK, signalling both the expansion of the British Empire, and the constriction of the Oceanic world with the emergence of borders and laws curtailing the movement of Pacific islanders. As California leans more Democratic in general, conservative Democrats are becoming rarer even in the places where they used to be common; meanwhile, independents, also known as No Party Preference voters, are leaning slightly more Republican in many parts of the state.
