NHS data suggests English hospitals are STILL less full than last year

This can help you remember to ask everything you need to know. Clinical Commissioning Group Mid-Year Population Estimates National Statistics , 26 October 2017. We shall be setting the external financing limit for each trust shortly.

List of Statutory Instruments of the United Kingdom, 1992

After risk adjustment, Sutton residents had 49% more estimated hospital bed days than residents in the control group, with 95% confidence intervals suggesting a relative difference in the range of 11% fewer to 148% more hospital bed days.

List of Statutory Instruments of the United Kingdom, 1992

In addition, there were 52 mental health and learning disability homes with 397 beds , which were not included within the study.

Telephone: 0800 970 6363 Email: Website: Sanctuary Housing Association This charity offers housing services. Telephone: 01905 334000
Address: Sanctuary House, Chamber Court, Castle Street, Worcester, WR1 3ZQ Email via website: Website: Home Group This group is a
provider of housing, care and support services across England.

NHS trust

Some hospitals have this week announced they are postponing some non-urgent procedures like they did in the spring because of surges in Covid

patients, while others say they are 'coping' and hope they won't have to do so.
