Opening the Closed Society: 50 Years of Integration

Silver, a historian and former professor at The University of Mississippi and friend of James Meredith, wrote a book about his first-hand experience of the riot and protest on Oct. Later in 1962, he defended Reverend Norman C.

Mississippi: The Closed Society, by James W. Silver; and A Time to Speak, by Charles Morgan, Jr.

It is not for hunting; it is for protection.

Mississippi

In the first part of Mississippi: The Closed Society, Silver describes how the state's commitment to the doctrine of white supremacy led to a situation in which continued intransigence and possibly violence seemed the only course left in massive resistance. Hughes was called in to testify in connection with a libel suit against Salisbury and the Times and, moreover, was asked to bring along certain Council records there was ample reason to believe that the Council itself was also a target of the investigation.

Veterans of the Civil Rights Movement

In April, Harrison Salisbury of the New York Times had visited Birmingham and returned to write of the city. On September 15 the bomb went off in the Negro church and on the following day Morgan delivered his famous speech. Overall the book was well worth reading.
