This guide closely examines the issues and tradeoffs in key child care policy decisions that face state legislators. Discussions include proposed legislation intended to improve library services by increasing aid for: 1 public libraries, public library systems, reference and research library resources systems, school library systems, and other libraries; 2 public library system coordinated outreach, literacy, and youth services programs; 3 intersystem cooperation in the development of regional and statewide bibliographic databases and other uses of technology to support resource sharing; and 4 a coordinated effort to conserve and protect information resources of unique value to New York State. The History also contains various charts, tables, and other useful information.
