## **US disengagement from Europe 'will weaken NATO'**

A world which for a century had had an integral life of sorts was split into three segments.

### **The Illusion of Disengagement**

There were scenes of troops dragging screaming and sobbing families from houses and synagogues, but with less violence than expected.

### **Disengagement as Evidence of Secularization**

They went house to house, ordering settlers to leave and breaking down the doors of those who did not. The bill was introduced by a group of Likud MKs who wanted to force a referendum on the issue.

### **The Enormous Cost of Unhappy Employees at the Workplace**

Getting Islamic extremists to stop conducting terrorist activities may not be enough to counter the threat, according to a new RAND Corp. Disengagement Hurts Workplaces and Employment Brands At the workplace level, disengagement hurts companies in many different ways. A proposed amendment to submit the plan to a referendum was rejected, 29—72.
