Alexander the Great

The Story of Apollon and Epiktetos It is now thirteen years later and here sits young Epiktetos a ten year old boy who seems to be curious about everything, at the feet of his grandfather, Apollon—a strong, wise old man teaching Epiktetos everything that he knows. Apollon answered with great pride and dignity. The third goal is to portray life—not as thought about in an ivory tower, but as through the eyes of a twenty-two year old newlywed who is ever vigilant not to shut his eyes on reality.
