## Railway News

He took his hand lamp and detonators and went forward through the train. The Victoria Road Crossover Box site is located to the west of where the new superhub HS2 Old Oak Common station is being constructed. When the delay was announced the MP for Blackpool South was incensed and took the matter up with Northern Rail the franchisee, and of course in Parliament.

## Planned works

Both BAM and our Client see this scheme as a success so many thanks to you and your team.

## 10 Interesting Facts About The Historic London Bridge

This time the BR project team wanted to sell the items formally so we asked Norman Pearce to join John and I in talking to the BR Supplies man from Derby. The Ticknall line industry and its transport system.

## Public response reveals strong support for Network Rail's Reigate station upgrade proposals
