Mongkut

To hold aloof from politics, Mongkut chose to become a Buddhist monk. The reformed Buddhism that Mongkut developed gradually grew into the order, which to the present day is at the intellectual centre of Thai Buddhism.

Mongkut

When his father died in 1824, however, Mongkut was barely 20, and the royal accession council instead chose his older and more experienced half brother to reign as King Rama III. A few years later he encountered a particularly pious monk who inspired Mongkut to turn to the strict and teachings of early. Thai staved off Western imperial pressure for another generation and brought rapid economic development, but Siam had to concede and limits on her taxing and tariff policies.

Mongkut

He became an accomplished scholar and abbot of a monastery, which he made a centre of discourse that gradually came to involve American and French Christian missionaries and the study of Western languages and science. For a time the royal household employed an English governess, q.

Mongmin simso : kwon 1

His tolerance and open-mindedness proved far more effective in dealing with Western imperialists than the and isolationism of some of his neighbouring rulers. Mongkut, also called Phrachomklao, posthumous name Rama IV, born Oct.
