## Child Support Regulations

Anyone who has had dealings with the over past years knows about its complexities and its tendency to get sums wrong more often than it gets

them right. We also read in the documents we have that the Korean language schools are not exempt from some taxes, whilst others schools are exempt from these taxes, including the international schools.

I have tried to be generous in allowing interventions, but I should make some progress. At this point, I would like to show some differences in standpoint, between my esteemed colleagues and minorities being represented today, and the people I am trying to speak for. I have done tens of thousands of consistorial cases in the Scottish courts.
