## Playing Beatie Bow Themes

See, I remember watching the movie at school, with my class - grade five I'd say, when I was ten? I enjoyed all of the characters, all of the descriptions of life at that time and the clever little story which deftly linked the past to the present and managed to have a happy ending. When I saw this in a second hand book shop I immediately grabbed it to rekindle that earlier time and I almost wish I hadn't.
