Please note that these are block patterns only. Be sure to bookmark our page as we are still in the process of building our sites.

## Quilt Across the US with AQS

To make sure you can identify them, seal them in a ziplock baggie so you don't use them for something else, and find later you have no borders or binding! There are many ways to make these blocks. The setting triangles are several reds.

## Quilt Blocks of the States Series

Quilt Blocks of the United States of America. Enjoy making quilts or just blocks from your favorite states.

## quilt blocks for each state in the USA

Although i didn't trust them, I hired them to get some information from my husbands computer. Since it's so scrappy, running out of one of the fabrics will not be a problem, because you can always fill in with another, one or even a totally different fabric. Most of the designs are from Quilters Cache and are copyrighted, so we will be sending you links to the correct blocks on that site.

## 50 State Quilt

I also make mistakes, which eats up more fabric. Those of you who are away or have to miss a meeting - don't worry - the instructions will be posted in emails or on our website! Map with individual states labeled. I would appreciate a link on your web site: my home page or to -- thank you.
