Archaeology of the Classic Maya Collapse

It is almost exclusively concerned with the Maya elite and their world. There is no attempt here to advocate some form of romantic or mystical process of cultural survival. Cambridge, UK: Cambridge University Press.

Working with peasants: reconsidering representations of the Maya

During the Contact period, it is known that Maya nobility took part in long-distance trading expeditions. By the Late Classic, the absolute power of the k'uhul ajaw had weakened, and the political system had diversified to include a wider aristocracy, that by this time may well have expanded disproportionately. The Nobel Peace Prize winner of 1992, Rigoberta Menchú, came to symbolize the crucial participation of Mayan rural proletariats in the revolutionary war the author of this essay provided the Nobel Peace Committee with a scholarly report on the role played by Riboberta Menchú in the Gutemalan revolutionary process.
