Progress on the National Housing Strategy

Figure 4: Total housing starts, rentals and rentals as a percentage of total housing starts, Canada, 1990 to 2016 Figure 4 - Text version Total number of housing construction starts, rentals and rentals as a percentage of total housing construction starts from 1990 to 2016 based on data from the Canada Mortgage and Housing Corporation. Since the emergence of the COVID-19 pandemic in March 2020, City staff across City divisions, agencies and corporations, have been actively engaged and working with all orders of government and community partners to respond to the pandemic and lay the foundation for recovery. Beyond core housing need Housing developments often lack basic consideration of good environmental design steps, ramps, railing, lighting, safety features, etc.

Government of Canada Provides Housing Support for Almost 1 Million Canadian Families

The NHS has already started delivering real results for Canadians. Rounding out our best bets for 2020 is senior housing.

Transport and Housing Bureau

Shoring up future projects may not be as high a priority for some localities as protecting existing properties, but may be an area for partnerships with private capital sources. The Vision Toronto is a city with a diverse range of housing opportunities.

Housing affordability: What has the Trudeau government done for you?

It excludes assets held for rental purposes. If you have questions about this bylaw, including how it may apply to you as a tenant or as a landlord, please contact or 250. With so many variables—personal and financial—in play, whether to rent or buy may well come down to your financial circumstances, future goals, and personality.
