### 25 Best FANTASY Picture Books (0)

For those looking for a dark fantasy that revels in its villains and enemies-to-lovers romance, this is the series for you. The rest is history — or, should we say, alternate history. There she swallows a shark, a squid, a fish, an eel, a crab, a sea star, and a clam.

The end of the world has never been so funny. Considered a work of science fantasy, the trilogy is set in a far-future Earth, upon a continent known as the Stillness, which is plagued by apocalyptic natural disasters known as Seasons, that can last for generations. I feel like A Song of Ice and Fire is only at the top due to its popularity in other media.

### 25 Must

I would encourage you to check him out. Read about what are fairies made of! Now they face a choice: can they save the world while saving Kihrin too? Is the newly risen Lady the force standing between humankind and evil—or is she evil itself? We soon encounter two groups of immortals through a bone clock named Holly Sykes. Valour Book Two of The Faithful and the Fallen by John Gwynne Valour UK Cover War has erupted in The Banished Lands.

My buddy and I actually wrote some fan fiction about a missing 48 hours in the 7th book, King of the Murgos. In response, the Taguran empress gifts him a herd of 250 prized horses — making him an immediate target in the next round of Kitai political intrigues. How about if instead of just protecting said Nunnery, you were under siege from these creatures and having to fight a small war? This is absolutely NOT a list of books people can see themselves in, it is a list of books that white dudes can see themselves in without having to think about why that is.

## **The 100 Best Fantasy Books of All Time**

As part of the titular ninth house, Lethe, Alex must work to uncover the magical abuses of these occult organizations — but what she can't know is how dark things will get, and how deeply she's enmeshed in them already. With their God now dead, how will Ebora react when Sam once again looks to them for help when the ninth rain is threatening to fall? Elizabeth Moon's books have really strong female characters, including Paksenarrion herself. So he draws a path to the moon with the crayon.

### **48 Fantasy & Sci**

The Cruel Prince takes us back to the world first featured in her debut novel, , and introduces us to Jude, a mortal heroine whose rage and determination cuts through a courtly politics and a quest to find a place she can call home.
