This new edition includes a revised and updated foreword by Jeanette Producers based on new research into the life of Yellowstone Vic. Jeanette Producers of Miles City will promote the recent reprint of *The Only Good Bear*, a compilation of hair raising bear hunts during the pioneer days of Montana. I'd recommend this book to anyone who's interested in frontier history.

If so, what would be the value, not just for the wooly icon, not only for the Native tribes, but for mankind? Stories of people encountering bears in every imaginable situation. SIGNED BY AUTHOR name only.

Jeanette Producers

So I'm going to take a wild guess that he did trick roping in Buffalo Bill's Wild West Show. Discovered in Harvard University's Houghton Library in 1990, this remarkable autobiography which Smith wrote in the third person is narrated in a matter-of-fact, often humorous style. Spine creases, wear to binding and pages from reading.

Biography & Autobiography

And who else can say he guided Theodore Roosevelt on a buffalo hunt in the Dakota Badlands? May contain limited notes, underlining or

highlighting that does affect the text. Now his best features, columns, essays and stories are bound in the book The Big Sky, By and By.
