How the US Civil War Divided Indian Nations

It provides both historical information and contemporary stories. The Sioux were particularly susceptible to the emotional excitement and the call of the old way of life represented in these ceremonies, and their wild involvement frightened the agent on the Sioux Reservation into calling for military protection.

Five Civil War Generals Who Went on to Fight in the Indian Wars : We're History

On November 29, 1864, one of the most infamous events of the American-Indian Wars occurred when 650 Colorado volunteer forces attacked a Cheyenne and Arapaho encampment along Sand Creek. The camp was broken up, the ponies and camp equipment carried off by the whites, and in the fight that ensued, four of the Osage were killed. The extension of the rail system only gradually eased the situation.
