## Hotel Industry Trends & Benchmarking

Following generally stable cases and a ramping vaccine campaign, German hotel bookings have risen rapidly in recent months, from 15.

## U.S. Hotels Enjoy Profit Growth, But It Is Becoming Harder to Achieve

Atlanta — April 29, 2019 — While U. For the year, total labor costs equaled 50 percent of operating expenses through GOP.

## 2021 Hotels & Motels Industry Statistics & Market Research Report

These days, response times to RFPs have dropped from 2+ weeks to under 24 hours. Use past events to prove events will be successful. Donations have also come in the form of material goods and medical supplies: 40,000 gloves, 25,000 masks, and 5,000 liters of disinfectant and cleaning agents were provided to combat the spread of the virus.

## Must

The Cvent Source: Group Business Insights On Friday, April 17, we hosted the first of a monthly series of webinars dedicated to providing insights — just like the ones above — on the group business landscape as you plan for a rebound to your meetings and events business.

## 3 Undistributed Expense Trends to Watch

Some inspiration from Nihl Sumba involves hikes into local villages, bird watching in the midst of the jungle, or a guided tour to hidden lakes combining a swim with a delightful personalized lunch. Limited-service hotels saw their operating costs rise by 4. Additionally, many travelers are opting to take the route, immersing themselves in an activity, location or destination through the use of technology without actually traveling at all.

## Create a Hotel Sales Strategy for Groups & Meetings

A great example is stepping into a fully contactless hotel, which seems like a simple feature to offer, but goes a long way in making the guest feel secure and comfortable.

## **Hotel Sales During COVID**

Extra Tip: build a wide range of packages special to your area, and put the effort by tailoring the service to each guest for a personal twist. With occupancy levels persisting at record high levels, operators must clean more rooms and serve more guests. And due to COVID-19, some traditional methods of that relied on historical demand patterns are no longer applicable.

## **7 Hotel Marketing Trends for 2021**

They often tuck individual questions into their request. In the case of improving response times in the U. RFP response best practices Even though hotel sales are down during the COVID-19 pandemic, there are still thousands of RFPs flowing through the system, according to Cvent Supplier Network CSN data.
