### Symbolau a'u Hystyron : Llwyau Caru Cadwyn, Llwyau Serch o Gymru

Thank you for that answer, First Minister.

### Llythyren c — Classroom Activity by Beth Ellis — Seesaw Activity Library

If you look at Germany, 20 per cent lower. All the ponies we took to Fayre Oaks have lovely new homes, we wish everyone lots of luck and fun with them.

### Llwy Garu hir (Tŷc)

It is abundantly clear that there are serious failings in healthcare across Wales. But the Despensers' actions soon aroused more resistance.

### Plenary 13/09/2016

I should just say that we have been assured by Ford—I must stress that we have been assured—that there will be no surplus of labour in the short term. It is difficult and challenging to attract GPs.

### Sali Mali

Is Trevor Purt still paid by the health service in Wales? How do you respond to the submission by user groups in north-east Wales to the Welsh Affairs Committee inquiry on the Wales and borders franchise devolution to Wales that English bodies such as Rail North must have devolved franchise responsibility alongside the Welsh Government for those cross-border services, such as Wrexham-Bidston into England, which remain in the devolved franchise? Mae rownd derfynol Cynghair y Pencampwyr, er enghraifft, yn ffordd hynod ddefnyddiol o hyrwyddo Cymru. A beautiful hand-carved lovespoon made from teak. I declare that this is a subject very close to my heart, and I want to ensure that this often unrecognised illness gains greater public understanding.

### Llwyau Caru

Mae, fel y dywedais, un o'r ffatrioeddffatrioedd mwyaf effeithiol ac effeithlon, ac mae lefelau cynhyrchiant yno ymhlith y gorau.

**BBC Wales**

Detected early, people live; detected too late, people die. Er mwyn sicrhau dyfodol dur Cymru, ac yn enwedig gwaith Tata ym Mhort Talbot yn fy rhanbarth i, mae'n rhaid i ni ddiddymu deddfwriaeth yr UE sy'n cynyddu ein costau ynni. Roedd Shotton yn safle proffidiol erioed, ond fel y dywedwyd wrthyf yn Shotton, byddai'n anodd iawn i Shotton weithredu heb y dur o Bort Talbot gan y byddai'n cymryd tua chwe mis i gael gafael ar y dur o rywle arall pe na byddai Port Talbot yno, gan arwain at sgil effaith amlwg o ran colli cwsmeriaid.
