## Autismo e Vaccini

Experimental and Clinical Liver Transplantation: Proceedings of the International Workshop, Wilsede, Germany, 17

Hamre 1996-01-01 This international symposium on theory and techniques for assessing the accuracy of spatial data and spatial analyses included more than ninety presentations by representatives from government, academic, and private institutions in over twenty countries throughout the world. New ideas, addressed in a variety of inspiring talks, provoked a vivid debate. .

### **Experimental liver transplantation**

Resting energy expenditure REE and homeostatic regulation are vegetative functions controlled by the hypothalamus and limbic system. EAS 1982 XX- 290 p ISBN 0-85334-149-4.
