George Lansbury

The absence of a clear break with religion meant that the mixing of social movements and the churches continued right into the nineteenth and twentieth centuries. I stood and watched the retiring figure, and thought to myself, there goes the last of England's great statesmen. .

George Lansbury

I do not use it as a term of reproach; there are many most respectable Jews. This strike he hoped would paralyze hostilities and bring immediate peace. He detested militarism and preached among workers internationally to prevent war.

Glossary of People: Th

When the war is over these will require large sums for the renewal of their navies, and the creation of new, and the repair of war-destroyed, railways and the like. The Osborne Judgement, 1909, rendered many trade union activities illegal, including financing newspapers, and it even made support for trades councils and the TUC questionable.

Donny Gluckstein: Keir Hardie

Thus A J Balfour became a landowner at the age of seven. .

Glossary of People: Th

He was later sent to Pentonville prison for speaking in favour of suffragettes who engaged in illegal activities.
