## I Paid Hitler

Averell Harriman was a director of Guaranty Trust Company and he was involved in the Bolshevik Revolution. He made available all records and all documents. Yet on page 56 of this book we reproduce a document originating with General Electric, transferring General Electric funds to the National Trusteeship account controlled by Rudolf Hess on behalf of Hitler and used in the 1933 elections.

**Adolf Hitler had a truly disgusting sexual fetish**

.

The Schneider group is a famous firm of French armaments manufacturers. In 1925 the Hugo Stinnes family contributed funds to convert the Nazi weekly Volkischer Beobachter to a daily publication.

## CHAPTER SEVEN: Who Financed Adolf Hitler?

. The one claiming universal jurisdiction is the United Nations Security Council. In addition to his directorship in Guaranty Trust, Harriman formed the Merchant Shipbuilding Corporation in 1917, which soon became the largest merchant fleet under American flag.
