About — FellowCountrymen

Let us now return to Bill Walker and his case of conscience against the Salvation Army. If you institute punishment as part of the law, you must punish people for refusing to punish. Be it noted that at this very moment there appears the biography of one of our dukes, who, being Scotch, could argue about politics, and therefore stood out as a great brain among our aristocrats.

Major Barbara by George Bernard Shaw: Preface

In nothing have the master-minds of the world been distinguished from the ordinary suburban season-ticket holder more than in their straightforward perception of the fact that mankind is practically a single species, and not a menagerie of gentlemen and bounders, villains and heroes, cowards and daredevils, peers and peasants, grocers and aristocrats, artisans and laborers, washerwomen and duchesses, in which all the grades of income and caste represent distinct animals who must not be introduced to one another or intermarry. Tragically however, the explosives still detonated, sending both Marines to their God.

Marlborough and other poems/Illustrations in Prose

The second is that the deliberate infliction of malicious injuries which now goes on under the name of punishment be abandoned; so that the thief, the ruffian, the gambler, and the beggar, may without inhumanity be handed over to the law, and made to understand that a State which is too humane to punish will also be too thrifty to waste the life of honest men in watching or restraining dishonest ones. October 1914 On return to England, by the way, I renewed my acquaintance with Robert Browning.

Countrymen

Because of his own journey, now he is truly capable of understanding those same struggles the men in his care face every day and helping them

overcome them. That is hideous; but what is to be done? Churchill and Chamberlain were fellow countrymen. I am an enemy of the existing order for good reasons; but that does not make my attacks any less encouraging or helpful to people who are its enemies for bad reasons.

But the ironic contrast between the bullfight and the sacrament of marriage does not move anyone. The company made great wine and the people had a good time working together. When you advertize a converted burglar or reclaimed drunkard as one of the attractions at an experience meeting, your burglar can hardly have been too burglarious or your drunkard too drunken.

FELLOW COUNTRYMAN

Both Jordan and Johnathan were awarded the Navy Cross posthumously. It will not tolerate a redeemed ruffian: it leaves him no means of salvation except ceasing to be a ruffian. One would not suppose that it needed any exceptional clearness of wit to recognize in this an act of diabolical cruelty.

At such moments it becomes the duty of the Churches to evoke all the powers of destruction against the existing order.
