. What never added up will add Up, What was incomprehensible will be comprehended.

## 10 Facts About the Life and Works of Polish Poet Czeslaw Milosz

After working as a cultural attaché of the Polish government in the United States, Milosz was moved back to Warsaw by his superiors in 1950, due to growing mistrust between the writer and his government. He broke with the Polish government in 1951 and sought political asylum in France, even though it meant virtual disconnection from Polish readers.

## 10 Facts About the Life and Works of Polish Poet Czeslaw Milosz

So on the one hand, I was learning about religion, the history of the Church, dogmatics, and apologetics; on the other hand, I learned about science, which basically undermines religion. Exile would emerge as a leitmotif recurring throughout his life and a source of creative inspiration in his poems and prose.

## Czeslaw Milosz and Joseph Brodsky: Fellowship of Poets on JSTOR

Elsewhere, without a worthy opponent, or faced with the seemingly more nebulous task of self-opposition, Milosz uses his own humility and his awareness of limitations in a way that may at first dissuade us of his importance. It has begun: the tearing, the trampling on silks, It has begun: the breaking of glass, wood, copper, nickel, silver, foam Of gypsum, iron sheets, violin strings, trumpets, leaves, balls, crystals.
