### Have your say on transforming Wandsworth Town Centre

The brief has been widened very recently by the Council circulating details of suggested proposals for part of the Town Hall area, with the car parking area proposed to become residential use. Please click on the links below to see maps showing these routes 1.

### Have your say on transforming Wandsworth Town Centre

The video below, courtesy of the You Tube channel, is a contemporary news report about a public consultation on the future of the site. So if you have enjoyed reading this story, and if you can afford to do so, we would be so grateful if you can buy our newspaper or make a donation, which will allow us to continue to bring stories like this one to you both in print and online.

### Big changes announced for Putney High Street and Wandsworth town centre

If the private sector is providing in excess of approximately 70% of new housing needs, this will only be done if schemes are economically viable.

### Past and future

Putney has already seen a number of improvement works since September 2019 and could see some more changes in the future.

### Big changes announced for Putney High Street and Wandsworth town centre

Comments on pedestrians: We welcome the removal of some motor traffic from Wandsworth High Street.
