Homemade Musical Instruments

Ankle Bells Homemade Musical Instruments Creating sets of ankle bells made with different materials or in different sizes and shapes will allow kids to experiment with the different sounds they are creating as they dance.

26 Musical Instruments You Can Make at Home

On a guitar, the player plucks the strings to make them vibrate.

26 Musical Instruments You Can Make at Home

Note: You have to tape it loosely so that air can emit from around the edges.

26 Musical Instruments You Can Make at Home

This one can provide hours of entertainment.

26 Musical Instruments You Can Make at Home

When done right, it can sound pretty close to a real trumpet! Below is an instruction session with our graduate student Alex May on how to make a sound sandwich! A kazoo works pretty much the same way, but with a piece of paper or other material over a pipe.
