Dimensions of wellness: Change your habits, change your life

Our lives in the universe of autism. She has written a weekly newspaper column on disabilities for The Orlando Sentinel for over five years, consults for several organizations on disabilities, and has many active roles within the disabled community and in creating bridges to the mainstream. Its contradictions are based on the hostile social relations set into force by this domination.

Women and Disability: Personal Experiences and Stories of Women with Disabilities

We must understand consciousness raising in relation to objective conditions.

Socialist Feminism: A Strategy for the Women's Movement

Madison: University of Wisconsin Press. Results suggest that these women have very limited resources, social networks, and opportunities. Through the concept of sisterhood, women have tried to be responsive to the needs of all women rather than a selected few, and to support, criticize and encourage other women rather than competing with them.

Making Our Lives Our Own: A Woman's Guide to the Six Challenges of Personal Change: Mason, Marilyn J., Mason, Marilyn J.: 9780062506344: vip.stumagz.com: Books

That personal victory emboldened her to find the means to live independently, but it also persuaded her that political work is the key to enabling all people with disabilities to live fulfilling lives. The present study used a discourse analytic approach in examining the accounts of women with learning disabilities, in order to arrive at an understanding how they position themselves in relation to gender and disability.

Women and Disability: Personal Experiences and Stories of Women with Disabilities

We see capitalism as an institutionalized form of oppression based on profit for private owners of publicly-worked-for wealth. Riding the bus with my sister: A true life journey. New York: Washington Square Press.
