## A LEFT

A seamless blend of science, travel, culture, and humor, this inquisitive exploration of all things Southpaw is sure to be the perfect book for lefties and the righties who love them. From the results, it looks like it was, with proportions of left-handedness ranging from 3.

## Nonfiction Book Review: A Left

Still, these hypotheses were never proven with any degree of verifiability. The company has also launched two new lines of SureGrip wallcovering adhesives.

It has remained free and ad-free and alive thanks to patronage from readers. For nearly fifteen years, it has remained free and ad-free and alive thanks to patronage from readers. His work has twice been anthologized in the Best American Science and Nature Writing series, and his feature about Egyptian revolutionaries was nominated for a National Magazine Award.

## A LEFT HAND TURN AROUND THE WORLD CHASING MYSTERY AND MEANING OF ALL THINGS SOUTHPAW DAVID WOLMAN

Gender: Male Race or Ethnicity: White Occupation: Nationality: United States Executive summary: The End of Money University: University: Contributing Editor Official Website: Author of books: A Left Hand Turn Around the World: Chasing the Mystery and Meaning of All Things Southpaw 2005, nonfiction Righting the Mother Tongue: From Olde English to Email, the Tangled Story of English Spelling 2008, linguistics The End of Money: Counterfeiters, Preachers, Techies, Dreamers -- And the Coming Cashless Society 2012, economics New! David Wolman--a lefty, and proud of it--sets out to answer these and other questions on a journey through the world of the left-hander. Feel free to invite some friends to join our Round Table community! One of the earliest proposed that handedness in humans was originally evenly distributed, but hand-to-hand battle in the ancient world killed off the lefties because they held the sword with their left hand and the shield in their right, thus leaving the heart much less protected than for righties, who held the shield on the left.

**A Left Hand Turn Around the World: Chasing the Mystery and Meaning of All Things Southpaw**

Amusing and thorough, this little tome makes a good gift for the left-handers on the Christmas list.

**David Wolman**

I will refrain from asking you to give him a big hand. Only flag comments that clearly need our attention. Also to be accounted for is the fact that many people are born with a natural inclination to write with the left hand but are schooled out of it for various reasons.

**Nonfiction Book Review: A Left**

Fast Shipping - Safe and Secure Bubble Mailer - From New Hampshire! His work has twice been anthologized in the Best American Science and Nature Writing series, and his feature about Egyptian revolutionaries was nominated for a National Magazine Award. As the lefties perished on the battlefield, so did their genes. Lefty forehands are hit from that less familiar side, their stronger punches originate from that less comfortable side, and their opposing stance differs from what people are accustomed to, namely right-handed opponents.
