The Westing Game

Years of making his society patrons look good when they aren't has in turn made Garson highly attuned to the things about people that can easily be hidden and the things that can't. By continuing to use sunlight.

I've written about her before for Eurogamer because of the puzzle bit. I think this is because of the architectural uncertainty that is secretly built into the place - and I think it's done with such elegant secrecy because the descriptive sections seem so plain and honest and uncomplicated. While writing *The Westing Game*, Ellen Raskin also thought about the design and layout, and ultimately the way in which it contributes to the reading experience of the story.

Bewitching Names: Name Round Up: 13 Names from Mother Goose

Art student Dickory takes a part time job as an assistant to a mediocre artist who also acts as a consultant to the New York City Police Department.

The Tattooed Potato and Other Clues eBook: Raskin, Ellen: Amazon.vip.stumagz.com: Kindle Store

But it's also uniquely focused on a single location, Garson's Greenwich Village house where so much of the action unfolds.

The Tattooed Potato and Other Clues

I know that there's the first floor apartment - which means ground floor to us; it would be the floor you enter on - that's leased to mysterious baddies. What a delight it was to receive this book from Melissa as my un-birthday gift! Britannica does not review the converted text. Garson lives at 12 Cobble Lane, which sounds like a very unlikely address for New York City.
