### Port Fairy Gazette (Vic. : 1914

It isn't complete, but it's still a huge collection, and it covers Northern Ireland, too.

### How to find free Irish newspaper archives for family history research

As far as I'm aware, outside of Dublin only has digitised its local papers and made some of them available online, free. Galway county library, is fairly typical in having quite an extensive list link not working at present.
