**Chopped up and fed to the vultures, a glimpse into the closely**

The successful revolt within China against its ruling in 1912 gave the Tibetans the opportunity to dispel the disunited Chinese troops, and the Dalai Lama reigned as head of a state. The ruthless and systematic oppression of Tibet has been relentless since 1959, and is now replicated in places like East Turkestan and Southern Inner Mongolia. Some Buddhists and non-Buddhists regard the NKT as outside the mainstream tradition.

**[Photo story] Chinese central government and the Dalai Lama: 1950**

A Russian Mongol named Daritseren Luvsanova, 73, said she had crossed the border and drove 15 hours with 40 others to see the Dalai Lama at Gaden Tehkchen Ling Monastery, reported AP Nov 19. China cannot stop the Dalai Lama from visiting any part of the world, including Arunachal Pradesh, and, of course, except Tibet which has been illegally acceded by China.

**Mongol invasions of Tibet**

The crackdown on Uighur culture and language has spread to what international observers call a genocide: The Chinese government has thrown more than a million Uighurs into reeducation camps, pressed them into forced labor, and implemented a campaign of depopulation through forced abortions, forced sterilizations, and even infanticide.

**Buddhism in Mongolia ~ Aspects of Mongolian Buddhism**

The Tibetan people recognised only the Central Tibetan Government, headed by the Dalai Lama, as the only legal government of Tibet. But, after the death of Drakpa Gyaltsen, the fifth Phamo Drupa ruler, in 1434, the power passed into the hands of the Rinpung family who were related to Drakpa Gyaltsen by marriage. .

**Buddhism**

Living and dying Tibetan Buddhism emphasises awareness of death and impermanence.

**Buddhism in Mongolia ~ Aspects of Mongolian Buddhism**

The Mongols granted the lama a degree political authority, but retained control over the administration and military of the region.

### **Tibetan Buddhism**

Tibet was invaded by the British expeditionary force under Col.

### **Chopped up and fed to the vultures, a glimpse into the closely**

Work is underway on a third temple near Sao Paulo in Brazil, which will be known as the Centro de Meditacao Kadampa do Brasil. Wylie The First Mongol Conquest of Tibet Reinterpreted, pp. Harvard Journal of Asiatic Studies, vol.
