## 5 Reasons to Support Affirmative Action in College Admissions

Although African Americans are still indeed underrepresented, affirmative action has aided minorities in increasing acceptance rates into selective universities.

## Affirmative Action Case Sparks Debate Over Race vs. Class

But the evidence in this issue brief seeks to dispel that convenient but misleading story line. Where there are fewer women or minorities than would be reasonably expected, the employer has to establish goals. All remaining participants conspire tacitly to present a silent front to the outside world.

## Are Minority Students Harmed by Affirmative Action?

The idea of having the government actually help to influence how much money someone can make is pretty appalling to some, especially Caucasians.

## Are Minority Students Harmed by Affirmative Action?

The change from 1995-1997 to 1998-2000 was smaller, at about three percentage points. He wants racial diversity, and he knows that it is not going to come about on its own very soon, but he thinks that specific goals or targets are at odds with the rights of individuals.
