Hitler's Palestinian Ally: Grand Mufti Amin Al

Days after the ban, SA-men shot dead two communists in a street fight, which led to a ban being placed on the public speaking of Goebbels, who sidestepped the prohibition by recording speeches and playing them to an audience in his absence. It was hard for us not to notice that beyond the stories runs a deep sense of pride.

Hitler's Wealthy Backers: How German Elite Facilitated The Nazi Rise

Biography Buchanan said he regretted his behaviour had damaged his credibility but his main aim was to secure publicity for the story. On 13 April 1932, following the presidential elections, the German government banned the Nazi Party paramilitaries, the SA and the SS, on the basis of the Emergency Decree for the Preservation of State Authority. The Ritchie Boys discovered that the Nazis were terrified of ending up in Russian captivity and they used that to great effect.
