Harriet Tubman: Imagining a Life: A... book by Beverly Lowry

The only reason that this book is not completely boring is because it indulges in flights of fancy; it projects thoughts and emotions onto various people with NO CLEAR EVIDENCE to support the statements. Lowry has a ripe subject in Tubman.

Harriet Tubman

While I appreciate the dramatization of some biographies, this one avoids speculation by presenting the facts and then personifying an occasional scene here and there. I think Harriet Tubman's life was fascinating, that she was a brave and charismatic woman, and I am sorry this is history's way of doing her justice.

Harriet Tubman Biography

By the 1980s, Tubman's life story remained a staple of mainstream juvenile literature and elementary school reading lists, but not adult nonfiction. And so, for the moment, we depart the scene on the Owasco porch and fly back to earlier times with Harriet, to revisit and fill in the blanks of the past that lives there with them all, in order to envision the moment and especially to see, reimagine, and try to know her. They underestimate her stubbornness, the thick shell of the nut of self-preservation tucked into the curl of her heart.

The true story behind the Harriet Tubman movie

I got what I wanted and I cant complain. With 62 photographs, illustrations, and maps The title should have given it away: this was the imaginary life of Harriet Tubman.

Harriet Tubman : Imagining a Life (Paperback)

Owasco Lake There is a quiet dignity about Harriet that makes her superior or indifferent to all surrounding circumstances. We can all relate to heartbreak.

True Stories of Black History that inspire

She hardly touches on Tubman's escape.

Harriet Tubman: Imagining a Life (Hardcover)

Harriet tubman was not educated she didn't even know how to read or write.

Harriet Tubman: Imagining a Life by Beverly Lowry, Paperback

Even later in life, Tubman would dictate stories from her What is remarkable here, is the scholarship that Lowry pulls together to form this biography is remarkable. It looks at her attempts to reunite the Ross family in freedom. Nonetheless, this is a definite must read.
