### First Century Church History

Books or scrolls were considered very valuable, and were thus well taken care of.

### Uncovering the Jewish Context of the New Testament

Schweitzer in a book, *The Quest of the Historical Jesus*, which made a great impression on English scholars, interpreted Jesus as primarily a prophet of the approaching world-catastrophe who stood in the succession of Jewish apocalyptists.

### MANUSCRIPTS 101

Some researchers endeavor to trace the transmission history and evidence of how people interacted with the documents. These New Testament documents contain Scripture readings according to the liturgical calendar.

### Uncovering the Jewish Context of the New Testament

The sheets were folded into quires, which are gatherings of parchment leaves, often grouped with other folded quires and bound into a codex, an antique version of a book. Finally, another way everybody can help is to spread the word. The New Testament Papyri Facsimile Collection: P45, P46 and P47 brings three of the oldest manuscripts of the Bible to a modern audience.
