Christianity Between Sundays

After the election of his uncle as Pope Callixtus III, he was ordained deacon and created Cardinal-Deacon of San Nicola in Carcere at the age of twenty-five in 1456. Though it may be abbreviated into Pope or Papa, yet it's clearly a title incorporated directly from paganism.

Lets look at how the belief was held by the Reformers as they knew Sunday sacredness was not scriptural.

Christianity between Pure Spirituality and Worldly Desire

Funny how they follow their 'prophetess' except when money is involved.

The early Roman Emperors promoted the rising cult of Sol Invictus with the addition of numerous new temples, statues, rites and festivals created in Sol's name. Gregory also helped his son to become a powerful feudatory through the acquisition of the Duchy of Sora, on the border between the Papal States and the Kingdom of Naples.

USA Today opinion: Christianity is on the ballot in the runoff between Warnock and Loeffler

It is better to lose one part of your body than to have your whole body thrown into hell. Lets take a look at Easter which was an ancient pagan festival and the pagan solstice celebrations were brought in and given a Christian veneer so pagans could join and continue as they had during the Empire. This Sun-worship was the final form which Roman paganism assumed.
