. I am so blessed to live in a country where my rights as a woman are equal to those of a man! May 1904 Dear Diary, I can hardly believe it! Imagine, Job's Daughters who aren't yet Majority Members voting for the President of the United States! March 6, 1931 Dear Diary, Today the first Bethel in Virginia was instituted. What better way to see things from a woman's point of view than to read her diary? The grotesque slaughter of a Black woman eight months pregnant reveals a great deal about the way in which Black women were dehumanized with impunity.
