Encyclopaedia Britannica: or, A Dictionary of Arts, Sciences, and Miscellaneous Literature (3rd edition)

Culture, Experience, and the Startle Reflex.

Encyclopedia of Toxicology

When American engineers speak of slip roads, they are referring to a street that runs alongside the main road separated by a berm to allow off-the-highway access to the premises that are there; however, the term is more commonly used, as this term is the equivalent of service road in the UK. The 13 volumes of the first edition were completed in 1833, and other editions and printings followed in 1835, 1836, 1847—1848, 1849 and 1858.

Lettre

Administrative research still treats communication as a process without context in which each element can be isolated. The work of Reinhart Dozy see below was meant as a supplement to Lane's work that covers modern Arabic Lane focused on classical Arabic only. Insofar as we are talking about the human world—and even when we are describing the physical world, we are within the human world as well—cultural practices and forms matter because they constitute a key dimension of the ongoing transformation or construction of reality.

Literary Terms and Definitions

Literary Characteristics of the Semites. Interpellation is the larger process of providing social positions for all communicating parties.

Encyclopædia Britannica Third Edition

The point is not that all collectivist cultures are alike. It cannot be equated with any particular political agenda or with any particular theoretical position.

Supplement to the Encyclopaedia, or, Dictionary of arts, sciences, and miscellaneous literature : Free Download, Borrow, and Streaming : Internet Archive

If there is no fixed mental logic, then the study of reasoning may owe more to nurture than has often been assumed, and the traditional computational theory of mind might even need a re-examination.

400 Language

For example, the German word for key is Schlüssel, which is masculine, and the Spanish word, llave, is feminine. New York, NY: John Wiley and Sons. New York: Dodd, 1907 circa 1902-7 , 20 volumes.
