## Sociology Investigation

That way, they illuminate social patterns that are often unrecognized. People live, work, study, or vacation within those borders.

### Sociological investigation into why do girls do better than boys in school.

And since there are very few feral children, the case study is the most appropriate method for researchers to use in studying the subject.

### Sociological investigation into why do girls do better than boys in school.

Others have argued that changes in schools have benefited girls such as coursework.

### Sociological investigations of human enhancement drugs: The case of microdosing psychedelics

Data may only partially fit current research needs.
