### A Rare Art From China

The development of comprehensive media is gradually changing the categorization of art in the traditional sense.

### China: Art

They are manifestations of high artistic standard of the creators and their cultural values stand to the test of time. Traditional painting has also been done on walls, porcelain and lacquer ware.

### The Dying Art of Handwritten Chinese

Chinese Kunqu Opera is an old Chinese opera form with a history of 600 years. Adapting Chinese to a Roman Keyboard Because the Chinese language has , it would be impossible to create a usable, compact keyboard containing every single character. That is probably why they gave this beast a prominent place on their robes.

### A Rare Art From China

In the history of modern art, many preeminent watercolor painters were inextricably linked with Zhejiang province. They not only demonstrate a natural integration of verse, calligraphy, painting and seal, but also a fine combination of Chinese and Western painting skills. The cumulative effect of the images, all taken in the same half dozen neighborhoods of the city, is of how rich the substance of human experience is, and how reliably it is to be found cheek-by-jowl with insubstantiality, with what is already passing, or possibly already past.

### The Dying Art of Handwritten Chinese

In Buddhism, the flow of mist and water suggests the circulation of wisdom through the body, mind, and universe achieved through meditation. But the world of Beijing Opera is still shrouded in mystery. In dexterous hands, a pair of scissors can swiftly cut out anything in the world from paper, showing the emotional feelings of ordinary Chinese people.

### **Ancient Chinese aesthetics and its modernity.**

Since 1989, with the support of Zhejiang Artists Association, Zhejiang Watercolor Artists Association has held seven consecutive terms of National Watercolor Painting Exhibitions in Hangzhou, capital of the province, and Zhejiang has been the hub for Chinese watercolor painting. Originally the banhua was a picture of a door-god, a divine guardian of doors and gates.
