## DataBank

Abstract Social capital is widely recognized as one of the few sources of capital available to the poor, yet the processes by which development policies affect the accumulation of that social capital are not well understood.

## J. Harriss,Depoliticizing development: The World Bank and Social... (2003)

Their attempts at purposive action are instead embedded in concrete, ongoing systems of social relations.

## Social Capital: Implications for Development Theory, Research, and Policy

Aid and Power: The World Bank and Policy-Based Lending.

## J. Harriss,Depoliticizing development: The World Bank and Social... (2003)

The World Bank Participation Sourcebook. Below are highlights from the exchange. The book discusses the respective value of quantitative, and qualitative approaches to the analysis of social capital, illustrating the discussion with examples, and case studies from many countries.
