..

## 2020 U.S. Moving Migration Patterns Report

Link ; In 1831 President Andrew Jackson signed an act of Congress to improve the Southwest Trail.

## Texas Migration History 1850

Before recorded history animals and aboriginals had made a path to the salt licks near the river. In the 2010 census, California followed Mexico as the most important out-of-state birthplace for persons residing in Texas. The farmers of the Natchez District became far wealthier than those who settled in Pike County.
