He served in British Columbia, Canada from April 1989 until May 1991.

Mad Cow USA/Could the Nightmare Happen Here?

. It's a snapshot of how our democracy itself has bowed to corporate interests.

Sheldon Rampton

Funeral workers fear mad cow disease March 26, 1999 CBC news OTTAWA -- The World Health Organization is meeting in Geneva, Switzerland this week to talk about Creutzfeldt-Jakob disease. The Mad Cow disease continues to alarm Europe, and cause stricter regulations on cow ranchers. January 28, 2004 - The Commodity Futures Trading Commission launches an investigation into whether some commodity futures market players may have known about the first US case of mad cow disease before it was announced to the public.

Mad cow is the symptom.

After a cow dies, scientists can tell if it had BSE by looking at its brain tissue under a microscope and seeing the spongy appearance.
