The Great Synagogue has been a part of Tel Aviv since the early days of the settlement and many leaders in Israeli history have visited it. Its facade lives up to its implied 'greatness' with impressive architecture inspired by Art Deco and Bauhaus styles, to keep with the White City theme. No visit to the Holy Land is complete without some Holy site seeing.

Cymbalista Center Map

Nowadays, architects rarely receive commissions with objectives as clear and precise as those requested: to construct two separate spaces in function but united in the design and that express the need for spirituality that is shared by all people.

Cymbalista Synagogue, Tel Aviv

As such, the embrasures in the round towers are not meant to let light in, but to let it shine out, at night - The Guardian of Israel does not slumber nor sleep Isaiah 5:27. The first to be created was the Yochanan Ben Zakkai, and new ones were built as the demand increased, with Sephardic immigrants continuing to pour into Jerusalem.

They donated the building and were actually involved in its construction. There are no internal pillars and the dome shape means that all guests and see and hear the service.

Campus Life at TAU

Both interiors are illuminated at the top in the same way. Centrally located at the intersection in the middle of the pedestrian mall, it is worth a visit while in the area.

As face-to-face meetings can intensify mutual responsiveness and understanding, the Center accommodates different approaches to encourage dialogue aimed at improving tolerance and understanding in Israeli society. As there is none in the Tel Aviv area.

Cymbalista Center Map

Or was it that Tel Aviv University, considering itself the stronghold of Israeli secularism, seemed not eager to at all to have a synagogue? Condition: Used - Very Good. The synagogue is still in use today for weekly prayer services by the local Italian community. It is only taken out for readings on Yom Kippur, Shavuot and Rosh Hashanah.
