The Young Romans

The Duces of these stories show qualities greatly admired by the Romans: tenacity, determination, and a willingness to sacrifice for one's country.

Duces Romanorum: Profiles in Roman Courage by Rose Williams (Paperback, 2001) for sale online

Professionally, Rose has taught Latin at high school and university level, and has given numerous lectures, seminars, and workshops for conventions, societies, and museums in America. Designed for beginning high-school and middle-school students of Latin, The Young Romans tells the stories of these youth, in simple Latin with background notes, grammatical helps, and exercises.

Duces Romanorum (2007 edition)

Exploits of Roman heroes such as Aeneas, Horatius Cocles, Scaevola and Germanicus are recounted in clear, accessible Latin aimed at intermediate level students.

Duces Romanorum (2007 edition)

Stories of Aeneas, Scaevola, Germanicus, and more are included, all with an introduction to their historical context, vocabulary, content questions, and a pertinent motto. This graded reader, designed for the intermediate level student, tells in chronological order stories of the people who forged the Roman world from the city's founding through the emperors. .

Duces Romanorum: Profiles in Roman Courage by Rose Williams (Paperback, 2001) for sale online

A complete vocabulary appears at the end. Nec speres aliquid nec extimescas Examaveris impotentis iram. Students who finish this reader in beginning Latin Latin 1 and 2 at the high school level will have acquired a minimum vocabulary of 1,000 words.

The Young Romans

The subjunctive mood and other advanced grammar as well as direct quotes from Roman authors help the student prepare for reading authentic

texts.

Duces Romanorum: Roman Profiles in Courage

New grammar is assumed in odd-numbered passages only and thus the teacher who wishes to proceed more quickly through the text may skip the even-numbered readings.
